Residents must enter 9th street from W. Juneau Avenue or W. Winnebago Street. The street in front of our building will be blocked off. Entry to the street is granted only for residents who have paid August's installment. Staff will direct residents to a parking spot in front of the building. If August's monthly installment is paid prior to arriving to the building, they will be allowed to enter the street and our moving team will unload their vehicle and bring their belongings to their room while resident is getting their move-in packets and keys. If August's monthly installment is not paid prior to arriving, the resident will need to find their own parking, pay for the installment, and then will be allowed access to the street in front of our building.
